IMPORTANT NOTE:

For a new factory built aircraft the following document must accompany this application:

A copy of the manufactures weight and balance data. Included []

Any application received without this data will be returned to the applicant.

For a first of type the RA-Aus Technical Manager should be contacted before registration is granted.

Any used aircraft transferred from any other registration data base the Transfer Application Must be used. (RA-Aus Reg Form 05)

In the case where there is more than one owner, a list of these owners' details must accompany this application. One owner must be nominated to receive all communication form RA-Aus. This person's name will appear on the Registration Certificate.
